

Celebrate Reading

By Donating a book to Shorecliffs' Library

Shorecliffs PTA, Foundation and a group of teachers have been working hard to improve our school library. We have had great success this year, please stop in and see our newly improved shelving and furniture. We also have added one full computer lab and we have almost completed the second lab in the library (5 computers to go!).

The next step is to stock the shelves with updated books for our students. Through the **"Celebrate Reading" program, you can donate a book to our library for only \$10.** For each \$10 donation made you will receive the following:

- A permanent bookplate recognizing your family's donation will be mounted in the donated book. Your child will be the first person to check out and read the new library book.
- A choice of a "front of the line pass" or "lunchtime library pass" will be issued to your child.
- Recognition for your donation will be listed in the next Shorecliffs E-Newsletter.
- Remember, your donation is tax deductible!

To place an order, you or your child can stop by the library to select a book from our "Celebrate Reading" book shelf or you may contact Natalie Penna for a list of available books at nataliep@cox.net or 492-2708. Place your completed order form along with your payment in the "Celebrate Reading" drop box. You will be contacted as soon as your book order has been processed and is ready for pick up at the library.
